

Trade Schools for Green Projects

1
2
3 **WHEREAS** a lack of employment exists in rural areas of Washington causing poor
4 economic conditions;

5
6 **WHEREAS** one reason this lack of employment exists due to a lack of a labor force
7 trained in skills needed for new technologies;

8
9 **WHEREAS** green technology needs individuals trained to meet their needs; and

10
11 **WHEREAS** green technology also needs venues to set up training facilities;

12
13 **THEREFORE BE IT RESOLVED** that we, the Washington State Democrats, call on the
14 State of Washington to pursue any and all means to encourage industries in Green
15 technology to partner with Community Colleges, Local School Districts, and Labor as
16 training facilities for Green technology.
