2 **Washington State Democratic Central Committee**

3
4 **WHEREAS**, there have been several groups who have requested special members and
5 additional members to the Washington State Democratic Central Committee; and,

6
7 **WHEREAS**, the party has no clear rules that exist for the addition or subtraction of a
8 special member to be added to the State Central Committee; and,

9
10 **WHEREAS**, some groups have very small and short term memberships which brings
11 into question their merit for special membership status and other groups have very
12 large, formal and permanent structures in place who want special status;

13
14 **THEREFORE BE IT RESOLVED** that the rules committee be directed to draft for
15 consideration by the Executive Board rules and procedures for the granting of special
16 membership to the State Committee and that standards be implemented for the
17 inclusion of special members to the State Committee and those rules and standards be
18 considered by the state committee at its next regularly scheduled meeting.
