

Resolution to Establish a Statewide Technology Team

WHEREAS the various local Democratic parties in Washington State share common technical issues, with unique local circumstances;

WHEREAS no individual local Democratic party has sufficient technical talent to solve all their technical problems well; and

WHEREAS Washington State has a wealth of talented professionals who would appreciate the opportunity to volunteer their professional skills to the Washington State Democratic Party;

THEREFORE BE IT RESOLVED that the WSDCC directs the Technology Committee to establish, support, and direct a statewide Technology Team;

THEREFORE BE IT FURTHER RESOLVED that the Technology Team be directed to organize volunteers statewide who are willing to donate professional time and technical talent to collaborate on a mission to “Build Technology to Support Democrats to Elect Democrats”;

THEREFORE BE IT FURTHER RESOLVED that a core strategy of the Technology Team is to survey local parties to discover local party needs, and those useful solutions which may be adapted for use statewide;

THEREFORE BE IT FINALLY RESOLVED that other core strategies of the Technology Team are to respect local party autonomy, provide user-friendly educational materials, to communicate online often, and to use appropriate security measures.

Submitted by the 44th Legislative District Democrats to the Washington State Democratic Central Committee for consideration at its April 30, 2011 meeting in Wenatchee. (Date Submitted 4/15/2011)
