

## Resolution on Internet Neutrality

1  
2  
3 **WHEREAS** the economic, commercial and information needs of Washington State  
4 citizens and business depend on reliable uninterrupted internet access;

5  
6 **WHEREAS** internet access must remain open and content delivered free from  
7 discrimination or favoritism from Internet Service Providers (ISPs), a principle known  
8 as “Network Neutrality”;

9  
10 **WHEREAS** there are documented cases of Internet Providers blocking or inhibiting  
11 content from customers;

12  
13 **WHEREAS** currently the FCC has admonished Internet Service Providers for  
14 interfering with lawful use of the internet from customers;

15  
16 **WHEREAS** currently no law requires compliance with the principle of Network  
17 Neutrality;

18  
19 **WHEREAS** Representatives Markey and Eshoo have introduced HR 3458 the “Internet  
20 Freedom Preservation Act”, which adds Network Neutrality principles to the  
21 Communications act of 1934;

22  
23 **WHEREAS** HR 3458 includes languages that allow ISPs to reasonably manage  
24 networks while respecting the rights of consumers; and

25  
26 **WHEREAS** HR 3458 has been referred to the Energy and Commerce committee;

27  
28 **THEREFORE BE IT RESOLVED** that the Washington State Democrats support  
29 passage of HR 3458;

30  
31 **THEREFORE BE IT FURTHER RESOLVED** that the Washington State Democrats ask  
32 that all Representatives from Washington State support HR 3458; and

33  
34 **THEREFORE BE IT FINALLY RESOLVED** that the Washington State Democrats urge  
35 that committee member Jay Inslee to take action to move this bill out of the committee.
