Dear Chair Podlodowski,

Pursuant to DNC Delegate Selection Rules and your 2020 Delegate Selection Plan, I'm writing to commit our campaign to taking the following steps to encourage full participation by all Washington State Democrats in the 2020 delegate selection process:

1. My campaign will certify an authorized representative by your listed deadline in order to aid in the publicization of your process, address concerns, and coordinate our efforts to encourage full participation.
2. My campaign will submit demographic information with respect to each of our approved candidates for delegate and alternate.
3. When approving candidates for delegate or alternate that are pledged to my campaign pursuant to our right-of-review or approving candidates for your standing committee slots, we will make best efforts to help you achieve the inclusion goals laid out in your delegate selection plan.
4. All public meetings for my campaign in your state will be open and accessible to all members of our Democratic Party family regardless of race, gender, sex, age, creed, national origin, sexual orientation, economic status, ethnic identity, religion, or physical disability
5. In addition to submitting the forms required by the Washington State Democratic Party, anyone wishing to apply to be a delegate or alternate pledged to my candidacy are encouraged to reach out to Joe Kabourek, Director of Ballot Access (contact info below), to discuss their candidacy and ask any questions they may have. We stand ready to assist delegate candidates from all Democratic constituencies to meet all requirements with a particular focus on historically underrepresented communities.

If you have any questions or if there is anything my campaign can do to assist you in your efforts to ensure an inclusive and open delegate selection process, please do not hesitate to contact Joe Kabourek, Director of Ballot Access and Delegate Strategy, at jkabourek@michaelbennet.com. We look forward to partnering with you throughout this process.

Sincerely,

A handwritten signature in blue ink that reads "Michael F. Bennet".
