## **Statement of Full Participation**

Dear Chairwoman Podlodowski,

Team Warren will elect a delegation from Washington to the National Convention that is representative of the many varied - and often intersectional - constituencies within the Democratic electorate, thereby achieving full participation of our Party's voters.

Each delegate and alternate position to which our campaign is entitled - at the District-Level, Party Leader and Elected Official Level, and At-Large Level - will be available to all voters in the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability, in accordance with Rule V.C. of the DNC Delegate Selection Rules.

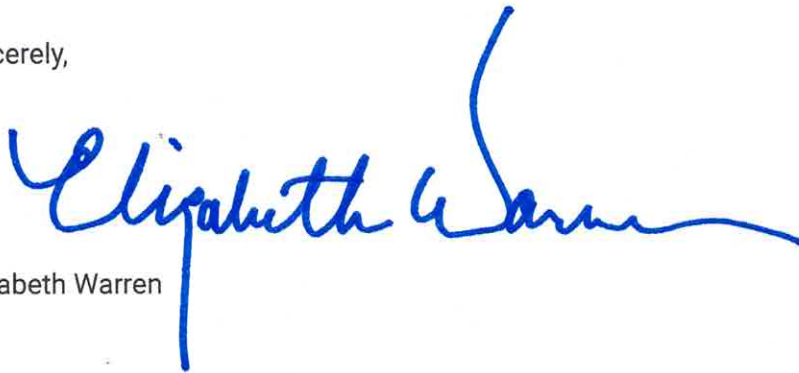

Our campaign supports the Washington State Democratic Party's commitment to the diversity of the delegation. Accordingly, the Elizabeth Warren delegation at the Democratic National Convention will strive to best reflect the upcoming delegation goals as decided by the DNC and Washington State. Moreover, to the extent practicable, the entirety of our delegation shall be equally divided between self-identified men and self-identified women, in accordance with Section VIII.E.6 of Washington's Delegate Selection Plan.

To achieve full participation of all Democratic constituencies, Team Warren has an outreach plan to promote the participation of historically underrepresented communities in our National Convention Delegation. We will collaborate with our valued coalition partners and grassroots network to proactively recruit delegates from these marginalized communities, who too often do

not have their voices heard. In addition to direct outreach to our partners and grassroots network, the campaign will proactively host an online form for individuals to indicate their

interest in becoming an Elizabeth Warren delegate to the National Convention. On this site, there will be a form that invites participants to select any of the diversity qualifiers outlined above. The early recruitment of underrepresented communities will ensure our National Convention Delegation mirrors the beautiful diversity of Washington, our Party, and our country.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth Warren". The signature is fluid and cursive, with a large, sweeping initial "E" and a long, horizontal flourish at the end.

Elizabeth Warren
