RE: Mike Bloomberg 2020 Campaign Full Participation Plan

Dear Chair Tina Podlodowski:

In order that the Democratic Party be an open Party at all levels, which includes rather than excludes people from participation, I am outlining my campaign's plan to ensure that it meets the Democratic National Committee's and the Washington State Democratic Party's goals of promoting full participation as outlined in the Washington State Democratic Party's 2020 Delegate Selection Plan.

All of my campaign's public meetings in Washington will be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability.

My campaign will fully participate in and support the Democratic Party's ongoing efforts to include groups of Americans who have been explicitly denied the right to vote or have been subjected to discriminatory and exclusionary practices with the intended effect of denying them voting rights and those groups historically under-represented in the Democratic Party's affairs, by virtue of race/ethnicity, age, sexual orientation, or disability through affirmative action programs with specific goals and timetables for African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders, women, LGBTQ+ Americans, disabled Americans, seniors, and youth.

Individuals who would like to be a delegate candidate pledged to my candidacy may apply by filing in accordance with the Washington State Democratic Party's 2020 Delegate Selection Plan. They also can contact my ballot access team. In either case, they should make the necessary filings as dictated in the Washington State Democratic Party's 2020 Delegate Selection Plan.

My campaign will submit demographic information for all of the approved candidates for pledged delegate and alternate to my candidacy.

My campaign will use its best efforts to ensure that our delegates and alternates help achieve applicable equal division and affirmative action goals adopted for the Washington delegation.

My campaign will use best efforts to ensure that our approved candidates for your state party's allotted members of the 2020 Democratic National Convention's standing committees will be demographically balanced with respect to both the representational goals and the equal division requirement for men and women.

If you have any questions, or if there is any way that my campaign can assist you in continuing to promote equal participation in the Washington delegate selection process, please do not hesitate to contact Norma Rahall on my ballot access team at nrahall@mikebloomberg.com.

Sincerely,
