

## How to Open a Virtual Phone Bank

Thank you for stepping up to help us phone bank, let's get started!

## **Logging in with Action ID:**

- 1. Open the following link and click on the blue "Get Started" button (circled above): <a href="https://www.openvpb.com/VirtualPhoneBank/">https://www.openvpb.com/VirtualPhoneBank/</a>
- 2. If you already have an Action ID that you created through miniVAN or previous phone banking, you will not need to create a new Action ID. Enter your email address and password to log in!
- If you have <u>NOT</u> created an Action ID, click on "<u>Create an ActionID</u> <u>account</u>" (circled on the picture to the right).

Fill out the required fields shown on the picture on page 2 (email address, password, first and last name, and phone number) and make sure to keep your login information handy, you will need this every time you want to phone bank.

- Once you have entered your information and checked the confirmation box, click Create Account.
- 5. You have created your Action ID! Now, you are almost ready to get started. Next, <u>CLICK HERE</u> to open our phone bank list code directory, find your <u>Legislative District</u> and its corresponding list code, and enter it in the "Virtual Phone Bank Code" box as show in the picture below:

## Congratulations, you are ready to go!

After you enter your list code, click "Join a Phone Bank" and the Open Virtual Phone Bank will start. **CLICK HERE** for a walkthrough of the script and how to make calls on the phone bank!
